PROFESSIONAL SUMMARY

Information Science and Engineering student with hands-on experience in software development, AI applications, and robotics. Built secure web systems, AI chatbots, and team websites; active in robotics competitions, national hackathons, and inter-college teams. Proficient in Java, Python, C, and JavaScript. Seeking internships in software development, AI, or robotics.

EDUCATION

B.E. in Information Science and Engineering | Channabasaveshwara Institute of Technology, Gubbi

6th Semester | CGPA: 7.16 | Expected Graduation: 2027

PUC / Class 12 | KVR Maruthi PU College, Tumkur | 2023 | 77%

TECHNICAL SKILLS

Languages: Java, Python, C, JavaScript

Tools & Platforms: GitHub, VS Code, IntelliJ IDEA, Canva

Domains: Software Development, AI Applications, Web Development, Robotics Fundamentals (Sensors, Basic Automation)

Soft Skills: Communication, Teamwork

PROJECTS

Smart Farm | Ongoing

- Developing an AI-integrated smart farm system with a secure database for data management and intelligent monitoring.

Online Voting System | Research Paper

- Developed a secure online voting system integrating two-step verification and blockchain security to ensure data integrity and transparency.

Project Ordering Website | Team Startup

- Developed and launched a website for online project ordering as part of a team startup initiative.

AI Health Assistant | Hackathon

- Built an AI Health Assistant and chatbot website capable of predicting health status for a hackathon project.

LEADERSHIP & ACTIVITIES

Hackathon Core Team | SkyHack

- Organized a national-level hackathon (SkyHack); managed core team responsibilities for planning and execution.

Social Media & IT Technical Head | Astrakshaya

- Serve as Social Media and IT Technical Head at Astrakshaya, a student rocketry and research firm.

Founder | MATRIX Team

- Founded and lead an inter-college robotics team focused on competition preparation and technical collaboration.

Member | STEPCRAFT

- Contribute to a student IoT and electronics support platform.

Robotics Competition Participant

- Competed in Robo Race, Robo Soccer, and Sumo events across multiple colleges.

ACHIEVEMENTS

- Participated and won robotics events at different colleges
- Participated in hackathons and gameathons across various colleges
- Completed Cloud Computing and Python courses from NPTEL
